

15-400 Milestone Update 6

Major Changes: No major changes

What You Have Accomplished Since Your Last Meeting:

- Completed outstanding goals from last week, namely catching up with the Phaser implementation and fixing the UI bug
- Created a first draft of my research poster in Powerpoint
- Created cartograms using data from Wisconsin
- Integrated the first draft of the Phaser implementation with the map generation to create a square grid representing an arbitrary state
- Incorporated Census tract information into Cartogram's to see if it generated more useful Cartograms – it did not.

Meeting Your Milestone: Milestone goals have been met

Surprises: No surprises this week

Looking Ahead:

- Meeting of the Minds in two weeks
- Meeting with Ariel on Monday
- Finish draft of poster
